

Basic Supplies needed for Mr. Terry's Tech Ed

It is necessary for the student who is enrolled in technology to have their own materials:

- Loose leaf paper
 - 1" binder with dividers (Safety notebook which must be in class every day.)
 - Pencils or Ink pens, blue or black (Something to write with every day.)
 - 1 Gig or larger flash drive
- May provide their own safety glasses, BUT NOT REQUIRED. SRHS will provide sanitized safety glasses for each lab. Safety glasses CAN NOT have smoked or amber lenses and must be marked with the Z87.1 OSHA rating usually stamped on the side piece of the glasses.

Course Syllabus and Consent Forms will be given to students their first day in class. The Class Rules sheet, Emergency Information, Consent to use equipment forms must be read signed and returned to the Teacher in order for the student to use equipment in the lab necessary to pass the class.
