Master Schedules have been prepared based on graduation requirements and student requests. Due to enrollment numbers, some courses may be dropped from the master schedule. School counselors and administrators try to accommodate student needs if class schedules conflict or classes are omitted from a student's schedule. In accordance with School Board Policy IK-R, **students withdrawing from a course after the first 6 weeks of the school year will receive either a "Withdrawn Passing (WP)" or a "Withdrawn Failing (WF)" on their transcript as the grade for each course dropped.**
